IRON AGE
Semi-Annual Index

July-December, 1965 • Volume 196

Microfilm Copies

Complete microfilm copies of The IRON AGE, text and advertising, are available beginning with Vol. 161 (1948) through the issues covered in this index. For information write to University Microfilms, 313 N. First St., Ann Arbor, Mich.

Volume 196 • July-December, 1965

The IRON AGE

SEMI-ANNUAL INDEX

July-December, 1965 Volume 196

CLASSIFIED INDEX

A

Abrasives

Abrasive Slurry Washes Off Burrs, by H. A. Goodman, Aug 12 p 136
Microstoning Rounds Out Parts and Smooths Cylinders, by A. W. Young, Aug 26 p 86

Adhesives

Adhesives Rise to New Plateau With Better Materials, Tests, by A. W. Young, Sept 30 p 102
Adhesives Take the 'Stop and Go' of Dynamic Machinery Loads, by A. W. Young, Dec 2 p 112
